Any proposed budget to be managed by the Subrecipient shall clearly specify proposed funding for administrative costs and/or program delivery costs and/or planning costs, to the extent that such costs are considered applicable categories for funding.

The Budget may include a reserve of the Subaward for PRDOH's activity delivery costs and expenditures related to the Program. The Subrecipient may not access the reserve identified in the Budget without written consent from the PRDOH.

The PRDOH may require a more detailed budget breakdown than the one contained herein, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the PRDOH. Any amendments to the budget must be approved in writing and signed by the PRDOH and the Subrecipient.

B. Indirect Costs

Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not Program Income and shall be remitted promptly to the PRDOH.

All Program assets, other than Program Income (property, equipment, etc.), if any, shall revert to PRDOH upon termination of this Agreement in accordance with applicable Federal, laws, regulations, HUD Notices, policies, and guidelines.

PRDOH will later notify the Subrecipient in writing the applicable procedures for the return or reversion of Program Income and Program assets to the PRDOH, and such notification shall be deemed incorporated by reference to this Agreement.

D. Reversion of Assets

Use and Reversion of Assets. The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 24 C.F.R. part 84 and 24 C.F.R. § 570.502, 570.503, and 570.504, as applicable, which include but are not limited to the following:

The Subrecipient shall transfer to PRDOH any CDBG-DR funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.

Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of $25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 C.F.R. § 570.208 until **five (5) years** after expiration of this Agreement [or such longer period of time as PRDOH deems appropriate]. If the Subrecipient fails to use CDBG-DR assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay PRDOH an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG-DR funds for acquisition of, or improvement to, the property. Such payment shall constitute Program Income to the PRDOH. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the **five (5)-year period** or such longer period of time as PRDOH deems appropriate.

In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be Program Income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the PRDOH for the CDBG-DR program or (b) retained after compensating the PRDOH an amount equal to the current fair market value of the equipment less the percentage of non-CDBG-DR funds used to acquire the equipment.

VII. PAYMENT

A. Amount

This Agreement is based on the reimbursement of funds to the Subrecipient expended on approved CDBG-DR items. Funding is contingent on a CDBG-DR award to PRDOH or a Grant Agreement between the Government of Puerto Rico or the PRDOH, and HUD, and PRDOH's receipt of CDBG-DR funds. It is expressly agreed and understood that the total funding amount to be paid by the PRDOH to the Subrecipient under this Agreement shall not exceed the amount specified in the Budget (**Exhibit D**). Such payment shall be compensation for all allowable services required, performed and accepted under this Agreement. However, PRDOH reserves the right to reduce the funding amount if CDBG-DR funding is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less that those set forth in the Budget (**Exhibit D**).

Any additional funds to complete the services requested by the PRDOH to the Subrecipient shall be subject to funds availability and shall require an amendment to this Agreement.

B. Requests for Reimbursements

The Subrecipient shall submit to PRDOH requests for reimbursements of activities under this Agreement and consistent with the approved Budget (hereinafter, the "Request for Reimbursement") and Scope of Work on a monthly basis. Each Request for Reimbursement shall be broken down into requested reimbursements against the Budget line items specified in **Exhibit D.**

The Subrecipient shall submit Requests for Reimbursements to the PRDOH, on the form and with the content specified and required by the PRDOH. The Requests for Reimbursements must be submitted with all supporting invoices, bills, time sheets, monthly reports, and any other document necessary to justify the payment, or any other supporting document requested by PRDOH. The Request for Reimbursement must also be accompanied by documentation from the Subrecipient demonstrating that all procurements for which payment is requested have been made in accordance with this Agreement.

If PRDOH determines that the submitted Request for Reimbursement and supporting documents are acceptable, then the invoice shall be approved for payment. An authorized representative of the PRDOH shall review each Request for Reimbursement and, if adequate, shall approve and process its payment. Payments to the Subrecipient shall be made by check or electronic funds transfer (EFT). PRDOH reserves the right to conduct any audit it deems necessary.

In order for the Subrecipient to receive payment for any work performed hereunder, the following certification must be included in each Request for Reimbursement submitted to the PRDOH:

> **"Under penalty of absolute nullity, I hereby certify that no public servant of the government entity is a party to or has an interest of any kind in the profits or benefits to be obtained under the contract which is the basis of this invoice, and should he be a party to, or have an interest in, the profits or benefits to be obtained under the contract, a waiver has been previously issued. The only consideration to provide the contracted goods or services under the contract is the payment agreed upon with the authorized representative of the government entity. The amount that appears in the invoice is fair and correct. The work has been performed, the goods have been delivered, and the services have been rendered, and no payment has been received therefor."**

The PRDOH shall pay to the Subrecipient CDBG-DR funds available under this Agreement (See **Exhibit E,** "Funds Certification") based upon information submitted by the Subrecipient for allowable costs permitted under this Agreement and consistent with the approved Budget. Payments shall be made for eligible and allowed expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. PRDOH reserves the right to adjust payments in accordance with program income balances available in Subrecipient accounts.

VIII. NOTICES

All notices, requests, approvals, and consents of any kind made pursuant to this Agreement shall be in writing and shall be deemed to be effective as of the date sent by certified mail, return receipt requested, or email. All notices and other written communications under this Agreement shall be addressed to the individuals in the capacities indicated below, unless otherwise modified by subsequent written notice.

IX. AMENDMENT AND TERMINATION

A. Amendments

This Agreement may be amended provided that such amendments make specific reference to this Agreement, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each party, and approved by PRDOH. Such amendments shall not invalidate this Agreement, nor relieve or release the Parties from their obligations under this Agreement. Unless specified, such amendments are not intended to effect nor will they constitute an extinctive novation of the obligations of the Parties under the Agreement and amendment.

This Agreement may be amended by the parties hereto, for the purpose of including any other CDBG-DR funded program included in the HUD-approved Hurricanes Irma and María current Action Plan.

The PRDOH may, in its discretion, amend this Agreement to conform with federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications shall be incorporated only by written amendment signed by both the PRDOH and the Subrecipient.

However, PRDOH reserves the right to notify in writing to Subrecipient any applicable policies, procedures, regulations, requirements, guidelines, or change in law, whether existing or to be established, as well as changes and/or amendments thereof, and the notified policies, procedures, regulations, requirements, guidelines and laws shall be deemed incorporated by reference to this Agreement without the need of executing a separate written and signed amendment.

B. Suspension or Termination

1. Termination for Cause

The PRDOH may terminate this Agreement, in whole or in part, upon **thirty (30) days'** notice, whenever it determines that the Subrecipient has failed to comply with any term, condition, requirement, or provision of this Agreement. Failure to comply with any terms of this Agreement, include (but are not limited to) the following:

a. b. Failure, for any reason, of the Subrecipient to fulfill in a timely and proper manner its obligations under this Agreement;
c. Ineffective or improper use of funds provided under this Agreement; or,
d. Submission of reports by the Subrecipient to the PRDOH that are incorrect or incomplete in any material respect.

The Subrecipient shall have up to **thirty (30) days** to resolve issues listed above to the satisfaction of PRDOH.

2. Termination for Convenience of the PRDOH

The PRDOH may terminate this Agreement any time by a notice in writing from the PRDOH to the Subrecipient. If the Agreement is terminated by the PRDOH as provided herein, the Subrecipient shall be paid the total compensation as the allowable services actually performed up until the date of termination. Any compensation under this paragraph must be for documented costs that are CDBG-DR eligible, and allowable, allocable, and reasonable in accordance with Uniform Administrative Requirements.

This Agreement may also be terminated in whole or in part by either the PRDOH or the Subrecipient, or based upon Agreement by both the PRDOH and the Subrecipient in accordance with the requirements in 2 C.F.R. part 200, subpart D.

3. Notification and Recoupment of Costs Incurred Prior to Termination

EXHIBIT A

SCOPE OF WORK

CITY REVITALIZATION PROGRAM

MUNICIPALITY OF CIDRA

1. Program Overview/Background

Hurricane Irma (DR-4336) and Hurricane María (DR-4339), two (2) federally declared disasters, catastrophically impacted Municipality of Cidra ("the Subrecipient") in September 2017. In response, the Puerto Rico Department of Housing (**PRDOH**) has developed the City Revitalization Program (**Program**), which establishes a fund for municipal governments and eligible entities to enable a variety of critical recovery activities aimed at reinvigorating downtown areas, urban centers, and key community corridors.

These activities will make storm impacted urban areas and community corridors more resilient, promote redevelopment and private investment, and will lead to the re-greening or restoration of areas that lost natural resources from the Hurricanes. As part of prior recovery processes, mayors and citizens have expressed a desire not only to rebuild these areas, but to restore and enhance these main streets, plazas, and downtown/business districts that are vital to the community. The Program relies on both planning efforts, as well as PRDOH planning processes through the Municipal Recovery Planning Program (**MRP Program**), to identify projects for the Program.

The Program offers funding in three (3) rounds. Applicants in each round will have a specified period of time to submit project concepts to the PRDOH that meet Program objectives for the specific round of the Program. Municipal governments must agree to take part in the MRP Program in order to fully participate in second and third rounds of the Program. By participating in this process, each of Puerto Rico's seventy-eight (78) municipal governments will have the opportunity to access Program funds with the goal of at least two (2) eligible projects per municipality, one in each of the first two (2) rounds of funding.

A portion of the total Program funds should meet the RE-Green Puerto Rico Initiative that will allow municipal governments and their partners to use CDBG-DR funds to address losses to Puerto Rico's natural resources and green landscape. Projects submitted for funding consideration that align with the RE-Green Initiative will be credited toward meeting the overall funding objective for a total goal of ten percent (10%) of the allocated municipal budget.

2. National Objective

Given that the Program will provide funding to a wide range of activities in downtown areas and key corridors across Puerto Rico, PRDOH anticipates that each national objective shown below will be applicable.

Projects in the Program shall meet of one of the following national objectives:

- Benefit to Low and Moderate Income (**LMI**) Persons (24 C.F.R. § 570.483(b))
  - Area Benefit
  - Limited Clientele
- Urgent Need (**UN**) activities (24 C.F.R. § 570.483(d))

- Aid in prevention or elimination of Slums or Blight (**SB**) (24 C.F.R. § 570.483(c))]

PRDOH will work with entities that are funded through this Program to determine the national objective for each project.

3. Program Description

PRDOH will work collaboratively with Subrecipient to execute projects selected for funding under the Program. The Program will provide CDBG-DR funding to municipal governments and eligible entities to enable a variety of critical recovery activities aimed at reinvigorating downtown areas, urban centers, and key community corridors. It will focus investments, reduce sprawl, and create a symbiotic environment to nurture complimentary investments from the private sector.

This Program is designed to fund and provide flexibility to fund a wide range of activities that address the recovery and resiliency needs of downtown areas and key corridors across Puerto Rico.
