Descripción:

In response to the recovery efforts after Hurricanes Maria and Irma, the U. S. Department of Housing and Urban Development (HUD) allocated \$1,507,179,000 to the Government of Puerto Rico in Community Development Block Grant for Disaster Recovery (CDBG-DR) funds for the purpose of assisting in long-term recovery from the 2017 disasters. The Puerto Rico Department of Housing (PRDOH) was designated by the Governor of Puerto Rico as the grantee and administrator of this allocation. In addition to recover and rebuild, these funds are granted to stimulate economic growth in every affected community. This IFB seeks to request sealed bids from qualified individuals and/or legal entities for the supply of laptops with related accessories and additional monitors for the use of PRDOH personnel in the implementation of the CDBG-DR Programs as established in the approved Action Plan, and subsequent amendments. This IFB is designed to promote fair and open competition while seeking a competitive cost solution. Interested prospective bidders are urged to carefully review the requirements of the IFB in order to prepare and submit a Responsive Bid. The IFB documents are available for download by prospective Bidders at the CDBG-DR Website (<http://www.cdbg-dr.pr.gov/en/procurement/>). To download the documents, prospective Bidders must go to the "Procurement" section of the Website, where all procurement documents will be published. IFB Documents will be available starting at the Document Availability Start Date stated in Section 4.3. Responses to this IFB should be prepared in accordance with the instructions provided in the IFB package. The Bidder will be evaluated by the PRDOH as described in the IFB and in accordance with applicable local and federal laws and regulations, including HUD's requirements, among others. If the Bid is to be awarded, it will be awarded to the "Responsible Bidder" that submitted the "Responsive Bid" with the lowest cost. Award will be made at fair and reasonable prices only. The PRDOH Procurement Area will recommend the award to the PRDOH Bid Board. The award of the Bid will be issued by the PRDOH Bid Board. Prior to award of a contract, the PRDOH must obtain contractor clearance. To obtain clearance, the PRDOH will search <https://www.sam.gov/SAM/> to verify whether the contractor is or not debarred. Therefore, the Bidders must be registered in the System for Award Management (SAM) at the time of the Bid submission or initiate the registration process right after the Bid submission. For more information about the System for Award Management (SAM) go to <https://www.sam.gov/SAM/>. Awards will only be issued to entities which are cleared and not ineligible for

award of a contract due to suspension, debarment, or HUD imposed limited denial of participation. The PRDOH is an equal opportunity employer and does not discriminate as to sex, gender or sexual identity, race, age, national origin, religious creed, civil status, war veterans, handicap or disable status. We appreciate your interest in being considered for the performance of the services described in this IFB.
