Description of the Proposed Project [24 CFR 50.12 & 58.32; 40 CFR 1508.25]:
This project entails the award of a small business recovery grant to El Medico Visitante..., PSC at CALLE 56 SE 1122, San Juan, PR 00921. The specific scope of work for this project includes the purchase of utilities, rent, employee salaries and equipment including all in one printer, IMACs, Macbook pro, Ipad, Dell computer,
Maps, photographs, and other documentation of project location and description:

Level of Environmental Review Determination:
Categorically Excluded per 24 CFR 58.35(a), and subject to laws and authorities at 58.5:

Determination:

- This categorically excluded activity/project converts to **EXEMPT** per Section 58.34(a)(12), because it does not require any mitigation for compliance with any listed statutes or authorities, nor requires any formal permit or license; **Funds may be committed and drawn down after certification of this part** for this (now) EXEMPT project; OR

- This categorically excluded activity/project cannot convert to Exempt status because one or more statutes or authorities listed at Section 58.5 requires formal consultation or mitigation. Complete consultation/mitigation protocol requirements, **publish NOI/RROF and obtain “Authority to Use Grant Funds”** (HUD 7015.16) per Section 58.70 and 58.71 before committing or drawing down any funds; OR

- This project is not categorically excluded OR, if originally categorically excluded, is now subject to a full Environmental Assessment according to Part 58 Subpart E due to extraordinary circumstances (Section 58.35(c)).

The project is in compliance with explosive and flammable hazard requirements.

This project does not include any activities that could potentially convert agricultural land to a non-agricultural use. The project is in compliance with the Farmland Protection Policy Act.

Flood Map Number 72000C0365J, effective on 11/18/2009: The activities are not substantial improvement and will not change the intended use of the property. Therefore, elevation is not required but flood insurance is to be obtained. Please see attached 5-step process. This project is located in a 100-year floodplain. The 5-Step Process is applicable per 55.12(a)(1-4). With the 5-Step Process the project will be in compliance with Executive Order 11988.

Based on the project description the project is covered by a Programmatic Agreement that includes an applicable exemption that exempts this project from the requirements of Section 106. The project is in compliance with Section 106.

Based on the project description, this project includes no activities that would require further evaluation under HUD’s noise regulation. The project is in compliance with HUD’s Noise regulation.

There are no sole source aquifers in Puerto Rico. Based on the project description, the project consists of activities that are unlikely to have an adverse impact on groundwater resources. The project is in compliance with Sole Source Aquifer requirements.

There are no wetlands on or near the property. Based on the project description this project includes no activities that would require further evaluation under this section. The project is in compliance with Executive

The Federal Emergency Management Agency (FEMA) designates floodplains. The FEMA Map Service Center provides this information in the form of FEMA Flood Insurance Rate Maps (FIRMs). For projects in areas not mapped by FEMA, use the best available information to determine floodplain information. Include documentation, including a discussion of why this is the best available information for the site. Provide FEMA/FIRM floodplain zone designation, panel number, and date within your documentation.

Is the structure, part of the structure, or insurable property located in a FEMA-designated Special Flood Hazard Area?

   No

   ✓ Yes

3. **Is the community participating in the National Flood Insurance Program or has less than one year passed since FEMA notification of Special Flood Hazards?**

   ✓ Yes, the community is participating in the National Flood Insurance Program.

Based on the response, the review is in compliance with this section.
Flood insurance under the National Flood Insurance Program must be obtained and maintained for the economic life of the project, in the amount of the total project cost or the maximum coverage limit, whichever is less.

Document and upload a copy of the flood insurance policy declaration or a paid receipt for the current annual flood insurance premium and a copy of the application for flood insurance below.

Yes, less than one year has passed since FEMA notification of Special Flood Hazards.

No. The community is not participating, or its participation has been suspended.
