Environmental Review for Activity/Project that is Categorically Excluded Subject to Section 58.5
Pursuant to 24 CFR 58.35(a)

Project Information

Project Name: PR-SBF-03913
HEROS Number: 900000010261342
Responsible Entity (RE): Department of Housing - Puerto Rico, P.O. Box 21365 San Juan PR, 00928
State / Local Identifier:
RE Preparer: Sally Acevedo Cosme
Certifying Officer: Sally Acevedo Cosme
Grant Recipient (if different than Responsible Entity):

Point of Contact:

Consultant (if applicable): HORNE LLP
Point of Contact: Paige Pilkinton
Project Location: , Loiza, PR 00772
Additional Location Information:
The project is located at latitude 18.423822, longitude -65.841077 at the address given above.
Tax ID Number: 066-036-007-01-000

Direct Comments to: 606 Barbosa Avenue, Juan C. Cordero Davila Building, Rio Piedras, PR
Electronic submittal of comments to infoCDBG@vivienda.pr.gov

Description of the Proposed Project [24 CFR 50.12 & 58.32; 40 CFR 1508.25]:
This project entails the award of a small business recovery grant to EL SAZON DE SYLVIA at CARR 187 KM 23 4
Maps, photographs, and other documentation of project location and description:

Level of Environmental Review Determination:
Categorically Excluded per 24 CFR 58.35(a), and subject to laws and authorities at 58.5:

Determination:

| ☑ | This categorically excluded activity/project cannot convert to Exempt status because one or more statutes or authorities listed at Section 58.5 requires formal consultation or mitigation. Complete consultation/mitigation protocol requirements, publish NOI/RROF and obtain “Authority to Use Grant Funds” (HUD 7015.16) per Section 58.70 and 58.71 before committing or drawing down any funds; OR |
| ☑ | This project is not categorically excluded OR, if originally categorically excluded, is now subject to a full Environmental Assessment according to Part 58 Subpart E due to extraordinary circumstances (Section 58.35(c)). |
| ☑ | This categorically excluded activity/project converts to EXEMPT per Section 58.34(a)(12), because it does not require any mitigation for compliance with any listed statutes or authorities, nor requires any formal permit or license; Funds may be committed and drawn down after certification of this part for this (now) EXEMPT project; OR |

Approval Documents:

1. To ensure compatible land use development, you must determine your site’s proximity to civil and military airports. Is your project within 15,000 feet of a military airport or 2,500 feet of a civilian airport?

✓ No

Based on the response, the review is in compliance with this section. Document and upload the map showing that the site is not within the applicable distances to a military or civilian airport below

Yes

Screen Summary

Compliance Determination
The nearest airport RPZ/CZ is approximately 49,453.1 feet away. The project site is not within 15,000 feet of a military airport or 2,500 feet of a civilian airport. The project is in compliance with Airport Hazards requirements.

</tr>
</tbody>
</table>

1. **Does this project involve financial assistance for construction, rehabilitation, or acquisition of a mobile home, building, or insurable personal property?**

   No. This project does not require flood insurance or is excepted from flood insurance.

   ✔ Yes

2. **Upload a FEMA/FIRM map showing the site here:**

   PR-SBF-03913 Flood Map.pdf

   The Federal Emergency Management Agency (FEMA) designates floodplains. The [FEMA Map Service Center](https://www.fema.gov/maps) provides this information in the form of FEMA Flood Insurance Rate Maps (FIRMs). For projects in areas not mapped by FEMA, use the best available information to determine floodplain information. Include documentation, including a discussion of why this is the best available information for the site. Provide FEMA/FIRM floodplain zone designation, panel number, and date within your documentation.

   **Is the structure, part of the structure, or insurable property located in a FEMA-designated Special Flood Hazard Area?**

   No

   ✔ Yes

3. **Is the community participating in the National Flood Insurance Program or has less than one year passed since FEMA notification of Special Flood Hazards?**

   ✔ Yes, the community is participating in the National Flood Insurance Program.

   Based on the response, the review is in compliance with this section.
Flood insurance under the National Flood Insurance Program must be obtained and maintained for the economic life of the project, in the amount of the total project cost or the maximum coverage limit, whichever is less.

Document and upload a copy of the flood insurance policy declaration or a paid receipt for the current annual flood insurance premium and a copy of the application for flood insurance below.

Yes, less than one year has passed since FEMA notification of Special Flood Hazards.
No. The community is not participating, or its participation has been suspended.

**Screen Summary**

**Compliance Determination**

Flood Map Number 72000C0415J, effective on 11/18/2009: The structure or insurable property is located in a FEMA-designated Special Flood Hazard Area. The community is participating in the National Flood Insurance Program. For loans, loan insurance or guarantees, the amount of flood insurance coverage must at least equal the outstanding principal balance of the loan or the maximum limit of coverage made available under the National Flood Insurance Program, whichever is less. For grants and other non-loan forms of financial assistance, flood insurance coverage must be continued for the life of the building irrespective of the transfer of ownership. The amount of coverage must at least equal the total project cost or the maximum coverage limit of the National Flood Insurance Program, whichever is less. With flood insurance the project is in compliance with flood insurance requirements.

</thead>
<tbody>
<tr>
<td>Section 7 of the Endangered Species Act (ESA) mandates that federal agencies ensure that actions that they authorize, fund, or carry out shall not jeopardize the continued existence of federally listed plants and animals or result in the adverse modification or destruction of designated critical habitat. Where their actions may affect resources protected by the ESA, agencies must consult with the Fish and Wildlife Service and/or the National Marine Fisheries Service (“FWS” and “NMFS” or “the Services”).</td>
<td>The Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.); particularly section 7 (16 USC 1536).</td>
<td>50 CFR Part 402</td>
</tr>
</tbody>
</table>

1. Does the project involve any activities that have the potential to affect species or habitats?

☑ No, the project will have No Effect due to the nature of the activities involved in the project. This selection is only appropriate if none of the activities involved in the project have potential to affect species or habitats. Examples of actions without potential to affect listed species may include: purchasing existing buildings, completing interior renovations to existing buildings, and replacing exterior paint or siding on existing buildings. Based on the response, the review is in compliance with this section.

No, the project will have No Effect based on a letter of understanding, memorandum of agreement, programmatic agreement, or checklist provided by local HUD office

Yes, the activities involved in the project have the potential to affect species and/or habitats.

Screen Summary

Compliance Determination
The project is 38,486.3 feet from the nearest endangered species critical habitat. This project will have No Effect on listed species due to the nature of the activities involved in the project. This project is in compliance with the Endangered Species Act.

1. Do any of the following exemptions apply? Select the applicable citation? [only one
   selection possible]

   55.12(c)(3)
   55.12(c)(4)
   55.12(c)(5)
   55.12(c)(6)
   55.12(c)(7)
   55.12(c)(8)
   55.12(c)(9)
   55.12(c)(10)
   55.12(c)(11)

   ✓ None of the above

2. Upload a FEMA/FIRM map showing the site here:

   PR-SBF-03913 Flood Map.pdf

   The Federal Emergency Management Agency (FEMA) designates floodplains. The FEMA
   Map Service Center provides this information in the form of FEMA Flood Insurance Rate
   Maps (FIRMs). For projects in areas not mapped by FEMA, use the best available
   information to determine floodplain information. Include documentation, including a
   discussion of why this is the best available information for the site.

   Does your project occur in a floodplain?

   No
   ✓ Yes

   Select the applicable floodplain using the FEMA map or the best available
   information:
Floodway

Coastal High Hazard Area (V Zone)

- 100-year floodplain (A Zone)
- 500-year floodplain (B Zone or shaded X Zone)

8-Step Process

Does the 8-Step Process apply? Select one of the following options:

- 8-Step Process applies

- 5-Step Process is applicable per 55.12(a)(1-4). Provide documentation of 5-Step Process.
  - Document and upload the completed 5-Step Process below.
  - Select the applicable citation: [only one can be selected]
    - 55.12(a)(1)
    - 55.12(a)(2)
    - 55.12(a)(3)
  
- 55.12(a)(4)

- 8-Step Process is inapplicable per 55.12(b)(1-5).

Mitigation

For the project to be brought into compliance with this section, all adverse impacts must be mitigated. Explain in detail the exact measures that must be implemented to mitigate for the impact or effect, including the timeline for implementation. This information will be automatically included in the Mitigation summary for the environmental review. If negative effects cannot be mitigated, cancel the project using the button at the bottom of this screen.
Mitigation/minimization measures not required as the project activities are not substantial improvement and the building footprint is not being increased. Flood insurance is required. 

Which of the following mitigation/minimization measures have been identified for this project in the 8-Step or 5-Step Process? Select all that apply.

- Permeable surfaces
- Natural landscape enhancements that maintain or restore natural hydrology
- Planting or restoring native plant species
- Bioswales
- Evapotranspiration
- Stormwater capture and reuse
- Green or vegetative roofs with drainage provisions
- Natural Resources Conservation Service conservation easements or similar easements
- Floodproofing of structures
- Elevating structures including freeboarding above the required base flood elevations
  ✓ Other

Screen Summary
Compliance Determination
Flood Map Number 72000C0415J, effective on 11/18/2009: This project is located in a 100-year floodplain. The 5-Step Process is applicable per 55.12(a)(1-4). With the 5-Step Process the project will be in compliance with Executive Order 11988.

<td>Determine if the project creates adverse environmental impacts upon a low-income or minority community. If it does, engage the community in meaningful participation about mitigating the impacts or move the project.</td>
<td>Executive Order 12898</td>
<td></td>
</tr>
</tbody>
</table>

HUD strongly encourages starting the Environmental Justice analysis only after all other laws and authorities, including Environmental Assessment factors if necessary, have been completed.

1. Were any adverse environmental impacts identified in any other compliance review portion of this project’s total environmental review?
   - Yes
   - No

2. Were these adverse environmental impacts disproportionately high for low-income and/or minority communities?
   - Yes
   - ✓ No

**Explain:**
The project is in compliance with Executive Order 12898. Based on the scope of work for this project, there will be no additional impact on low-income or minority residents.

Based on the response, the review is in compliance with this section. Document and upload any supporting documentation below.

**Screen Summary**
**Compliance Determination**
Adverse environmental impacts are not disproportionately high for low-income and/or minority communities. The project is in compliance with Executive Order 12898.

**Supporting documentation**
Are formal compliance steps or mitigation required?

Yes

✓ No
