1 Overview

The Puerto Rico Department of Housing (PRDOH) has developed a Citizen Participation Plan in compliance with 24 C.F.R. § 91.115 and applicable U.S. Department of Housing and Urban Development (HUD) alternative requirements as published in Federal Register Notices for Community Development Block Grant – Disaster Recovery (CDBG-DR) and Community Development Block Grant – Mitigation (CDBG-MIT), which supersede/waive and replace certain requirements with respect to citizen participation. These alternative requirements can be found in the Federal Register Notices listed below, and in any additional notices as applicable:

As both CDBG-DR and CDBG-MIT programs are founded on the same regulatory framework of HUD’s CDBG program, the citizen participation requirements contained in this plan apply to both programs, including CDBG-DR Electrical Power System Improvements and CDBG-DR Earthquake allocation, except where explicitly described as a unique requirement for a specific program.

The Citizen Participation Plan outlines the requirements that are to be followed for citizen participation in activities related to the CDBG-DR and CDBG-MIT programs, including CDBG-DR Electrical Power System Improvements and CDBG-DR Earthquake allocation. This Citizen Participation Plan is separate and distinct from Citizen Participation Plans utilized for the Consolidated Planning process or non-disaster recovery functions carried out by other agencies in Puerto Rico and is allowed by HUD to differ, as outlined in the Federal Register.

This Plan is intended to maximize the opportunity for citizen involvement in the planning and development of CDBG-DR and CDBG-MIT programs, including but not limited to:

- The amount of assistance expected to be available to impacted communities;
The range of eligible activities to be undertaken;
Performance reports; and
Other Action Plan and program activities.

The goal of the Citizen Participation Plan is to provide Puerto Rico’s residents with an opportunity to provide feedback and participate in the planning and assessment of PRDOH’s CDBG-DR and CDBG-MIT recovery programs, including CDBG-DR Electrical Power System Improvements activities and CDBG-DR Earthquake allocation. To facilitate citizen involvement, PRDOH has coordinated actions to encourage participation and allow equal access to information about the programs. PRDOH has additionally designated staff who serve as citizen participation coordinators.

PRDOH communicates with citizens, organizations, affected local governments, and other interested parties through a wide range of methods. As part of PRDOH’s commitment to disseminate information across Puerto Rico, PRDOH will involve Municipalities, Government Agencies, Non-Profit and Non-Government Organizations as partners to distribute information to citizens, especially those of low and moderate income, those living in slums and blighted areas and in areas identified for recovery through CDBG-DR or mitigation through CDBG-MIT, as well as other disadvantaged populations. This includes, but is not limited to, sending direct communication to these organizations via electronic mail, postal mail, or in person through stakeholder sessions for further transmittal to their constituents.

2 Applicability
As per 24 C.F.R. § 91.115 and alternative requirements published in the applicable Federal Register Notices, the Citizen Participation Plan must encourage citizen participation in the development of the Action Plans, any substantial amendments to the Action Plans, and performance reports. This Plan indicates opportunities for citizen participation and engagement in activities financed with funding from a CDBG-DR or CDBG-MIT grant, administered by PRDOH, including activities carried out by local government in accordance with 24 C.F.R. § 91.115(e).

This Plan outlines areas for participation of all citizens, including those with disabilities or limited English proficiency (LEP). It conforms to the requirements of 83 FR 5844, 83 FR 40314, 84 FR 45838, 85 FR 4676, 85 FR 4681, 86 FR 569, and 86 FR 32681. Any additional special provisions established by regulations regarding citizen participation in relation to CDBG-DR or CDBG-MIT grants will supersede what is outlined in this document.

3 Program Accessibility of Information for CDBG-DR and CDBG-MIT
Information related to PRDOH’s CDBG-DR and CDBG-MIT grants, including Action Plans, Action Plan amendments, program policies and procedures, performance reports,
citizen participation requirements, program information, and details of contracts and ongoing procurement policies, will be publicly available at https://cdbg-dr.pr.gov/en/ (English) and https://cdbg-dr.pr.gov/ (Spanish). Program information posted to the website will be accessible and available in both Spanish and English and will be made available in accessible formats, including those readable by screen readers. PRDOH will make information available in alternate formats, as needed and upon request, to ensure effective communication to persons with disabilities (24 C.F.R. § 8.6).

PRDOH may use a variety of communication methods to notify the public of information regarding the CDBG-DR and CDBG-MIT programs. The methods listed below have been used by PRDOH prior to the disaster to communicate information across the Island. The use of these methods varies based on region and municipality. In addition to these outreach methods and an active online presence, PRDOH regularly provides CDBG-DR written outreach materials for all municipalities to use and communicate to their constituents.

These methods may include, but are not limited to:

- Print media, such as the newspaper;
- Social media;¹
- Radio or television advertisements;
- Letters or emails to Municipalities, Government Agencies, Non-Profit and Non-Government Organizations;
- Notices posted to internet sites, including PRDOH’s CDBG-DR and CDBG-MIT webpages;
- Ads on billboards and bus stops;
- “Tumba coco” (a popular local method for communication which includes a vehicle with speakers used for promotion);
- Brochures and printed materials;
- Direct mail;
- Outbound call campaigns (live or automated);
- Email announcements;
- Community events or fairs;
- Webinars or web conferences;
- Web-based surveys;
- Focus groups or interviews;
- Community meetings;
- Press releases;
- Media events or interviews; and

¹ This may include the Department of Housing’s Facebook page: https://www.facebook.com/DeptVivienda/ or other methods.
• Other forms of communication accepted by HUD,

PRDOH will continue to coordinate outreach meetings with Municipalities, Government Agencies, Non-Profit and Community organizations, faith-based organizations, and other interested stakeholders to disseminate information related to PRDOH Action Plans, substantial Action Plan amendments, and CDBG-DR and CDBG-MIT programs mentioned in the Action Plans.

3.1 Addressing Low- and Moderate-Income Citizens for CDBG-DR and CDBG-MIT

To promote access to information about the CDBG-DR and CDBG-MIT programs among low-or-moderate-income citizens, PRDOH will organize special orientation events throughout the Island or use broad-based media campaigns. The use of direct communication with Municipalities, Government Agencies, Non-Profit and Non-Government Organizations as partners is intended to increase residents’ access to information and is supplemental to communication between PRDOH and residents. In addition to citizen involvement, PRDOH encourages the participation of regional and island-wide institutions.

Simultaneously with the abovementioned efforts, PRDOH will distribute informational material through its regional offices and public residential administrators and strengthen the distribution of news information on the programs through regional media that operate in areas where CDBG-DR and CDBG-MIT funds will intervene. This is in accordance with the Plan’s initiatives aimed to strengthen access to information among low- or moderate-income citizens and members of minority or disabled groups.

4 Methods for Citizen Participation for CDBG-DR and CDBG-MIT

The following section describes methods which will be used for citizen participation in relation to the CDBG-DR and CDBG-MIT programs. The methods described in this Plan are not intended to be exclusive of other methods of citizen participation allowed by HUD.
4.1 Methods and Opportunities for Citizen Involvement for CDBG-DR and CDBG-MIT

Methods and Opportunities for Citizen Involvement:

- Public Hearings;
- Communication Via the Internet;
- Information via the PRDOH Website;
- Citizen Advisory Committee(s);
- Participatory Engagement; and
- Other Methods for Citizen Participation.

Through these methods, citizens may receive information about the following:

- The amount of assistance available to impacted communities;
- The range of eligible activities to be undertaken;
- Performance reports;
- Action Plan, Action Plan Amendments, and comment periods;
- Program information, including how to request additional information;
- Upcoming Public Hearings, Webinars, or other stakeholder sessions;
- The Citizen Advisory Committee, including its Subcommittees;
- Information to request and receive technical assistance;
- How to comment on the Citizen Participation Plan; and
- How to file a complaint.
4.2 Communication via Internet for CDBG-DR and CDBG-MIT

Interested individuals are encouraged to comment at any time by sending an email to infoCDBG@vivienda.pr.gov for CDBG-DR inquiries and CDBG-MIT@vivienda.pr.gov for CDBG-MIT inquiries.

Additionally, citizens may comment by using the “Contact Us” tool included in PRDOH’s disaster recovery website. The “Contact Us” tool can be accessed directly at https://cdbg-dr.pr.gov/en/contact/ (English) or https://cdbg-dr.pr.gov/contactanos/ (Spanish).

4.2.1 CDBG-DR Information via the PRDOH Website

Interested individuals are encouraged to visit the PRDOH website, which is rich in information for the public to become informed and actively engage in participation. The PRDOH landing page: https://www.vivienda.pr.gov/ contains webpages dedicated to disaster recovery efforts.

Individuals can navigate to the CDBG-DR webpage from the PRDOH main website https://www.vivienda.pr.gov/ by clicking on the “CDBG_DR-2017” tab.2

procedures, performance reports, citizen participation requirements, and program information for activities described in its Action Plan. Additionally, the website lists details of all contracts and ongoing procurement policies.

Public information and citizen participation requirements for CDBG-DR Electrical Power System Improvements during Action Plan development will be included in a dedicated page within the PRDOH CDBG-DR Program website. From this page, citizens and stakeholders in general, will be able to find more information, register for program-related notifications, and find a formal announcement for the opening of the CDBG-DR Electrical Power System Improvements Action Plan public comment period. Once the CDBG-DR Electrical Power System Improvements Action Plan is approved by HUD and additional information on programs becomes available, all information will be integrated into this dedicated page within the current PRDOH CDBG-DR site.

4.2.2 CDBG-MIT information via the PRDOH Website

The PRDOH landing page: https://www.vivienda.pr.gov/ contains webpages dedicated to disaster recovery efforts. Individuals can navigate to the CDBG-DR webpage from the PRDOH main website by clicking on the “CDBG_DR-2017” tab. (See Figure 3)4

Once on the PRDOH CDBG-DR webpage, CDBG-MIT information can be found on a dedicated page within the website by clicking on the CDBG-MIT “Learn More” tab.5

4.3 Citizen Advisory Committee for CDBG-DR and CDBG-MIT

The Citizen Participation Plan recognizes the effort and work that non-profit organizations, community organizations and components of the Third Sector have carried out with the purpose of mobilizing and quickly informing a broad range of residents about opportunities for citizen participation.

After exploring various alternatives to enhance direct citizen participation, PRDOH created a Citizen Advisory Committee from which initiatives are developed to promote the active participation of organizations, communities, groups, sectors, and unions to promote a participatory and transparent process and to evaluate the implementation of the Plan.

The Citizen Advisory Committee serves as a link between the CDBG-DR Program and various sectors.

The Citizen Advisory Committee is set up as a voluntary, consultative, and advisory body of PRDOH, to which it is organizationally and functionally subordinate. The main functions of the Citizen Advisory Committee are to provide guidance and serve as a collaborator with, and to inform PRDOH of the needs, interests, and priorities of the individuals and sectors it represents during the recovery process and the development of the programs under CDBG-DR and CDBG-MIT. The Citizen Advisory Committee may be invited to participate in working groups, as experts, and persons in the public or private sector related to the matters under discussion. The Citizen Advisory Committee promotes the objectives of programs related to vulnerable populations and low to moderate income persons, and facilitates awareness of the unmet needs that should be a priority in the design and implementation of the plans outlined for the use of CDBG-DR and CDBG-MIT funds by the communities. The Committee members also support PRDOH through outreach efforts to those they represent by providing accurate information regarding CDBG-DR and CDBG-MIT programs promoting the opportunities and benefits that the programs offer.

The Citizen Advisory Committee will fulfill the functions of the CDBG-MIT requirements. HUD guidance at 84 FR 45838 provides that the Committee will meet at least twice (2) per year for the life of the grant, in an open forum to inform the public of the CDBG-MIT projects and programs and provide the public a platform from which to give feedback. This Committee shall meet in an open forum not less than twice (2) annually in order to provide increased transparency in the implementation of CDBG–MIT funds, to solicit and respond to public comment and input regarding the grantee’s mitigation activities and to serve as an on-going public forum to continuously inform PRDOH’s CDBG–MIT projects and programs. These meetings will provide the opportunity to solicit and respond to public comments on the mitigation activities.
4.4 Participatory Engagement for CDBG-DR and CDBG-MIT

In addition to the methods above, PRDOH will from time to time convene other engagement sessions, roundtables, and presentations to associations and community organizations to promote information about CDBG-DR and CDBG-MIT programs and gather input from outside participants. These sessions will occur at the discretion of PRDOH.

4.5 Other Methods for Citizen Participation for CDBG-DR and CDBG-MIT

As part of the implementation of CDBG-DR and CDBG-MIT programs, PRDOH will regularly interact with Municipalities, Non-Governmental Organizations, and the citizens of Puerto Rico. These methods may include but are not limited to:

- Web-based surveys;
- Coordination with municipalities, non-profit or community organizations, faith-based or other organizations;
- Focus groups or interviews; and
- Other in-person meetings, as requested by individuals or organizations.

5 Comments and Suggestions on the Citizen Participation Plan

Citizen comments and suggestions are welcome on this Plan throughout the duration of this grant. Please contact PRDOH using the following methods:

6 Action Plan and Amendments for CDBG-DR and CDBG-MIT

Action Plans bring together the strategies that will be used by PRDOH to promote the recovery from past disasters and mitigation of future disasters. Through the CDBG-DR, CDBG-DR Electrical Power System Improvements, CDBG-DR Earthquake allocation and CDBG-MIT Action Plans, the Government of Puerto Rico directs the implementation of these funds.

The PRDOH CDBG-DR Action Plan (Electrical Power System Improvements) and future amendments will be located on a dedicated page within the PRDOH CDBG-DR Program website.

The PRDOH CDBG-DR Action Plan (Earthquake allocation) and future amendments will be located in English at: https://cdbg-dr.pr.gov/en/seismic-home-rehabilitation-and-reconstruction-action-plan/ and in Spanish at: https://cdbg-dr.pr.gov/plan-de-accion-para-la-rehabilitacion-y-reconstruccion-de-hogares-por-sismos/.

Finally, PRDOH CDBG-MIT Action Plan and future amendments will be located in English at: https://cdbg-dr.pr.gov/en/cdbg-mit/ and in Spanish at: https://cdbg-dr.pr.gov/cdbg-mit/.

6.1 Action Plan Public Hearing Requirements for CDBG-DR, CDBG-DR Electrical Power System Improvements, and CDBG-MIT

6.1.1 Public Hearings for CDBG-DR

Although 83 FR 40314 waived the requirement that public hearings must be held by grantees to disseminate information and collect citizen comments, PRDOH opted to host public hearings regarding development of the Action Plan in accordance with 83 FR 5844. If PRDOH determines to hold such hearings, they will be advertised as outlined above regarding public hearings. Public hearings will be conducted for Action Plans or substantial amendments for allocations over $1 billion, or as required by Federal notices.

6.1.2 Public Hearings for CDBG-DR Electrical Power System Improvements

According to HUD guidance at 86 FR 32681, grantees must hold at least two (2) public hearings on the proposed initial Action Plan. At least one (1) of these public hearings must occur prior to the publication of the Action Plan by the grantee on its website for public comment. The required public hearings may be virtual or in-person. Unless the grantee conducts a virtual hearing, all in-person hearings are to be convened at different locations that reflect geographic balance and ensure maximum accessibility. Virtual hearings must allow for questions in real time, with answers coming directly from the
grantee’s representatives to all “attendees”. For each virtual hearing, the grantee shall also provide reasonable notification and access for citizens, including those with disabilities, Limited English Proficient (LEP) individuals, Limited Spanish Proficient (LSP) individuals and deaf/hard of hearing, timely responses to all citizen questions and issues, and public access to all questions and responses. PRDOH will consider all comments, received orally or in writing, on the Action Plan or any substantial amendment. The initial CDBG-DR Electrical Power System Improvements Action Plan public comment period will be open for forty-five (45) calendar days. No public hearings are required for a substantial amendment to the CDBG-DR Electrical Power System Improvements Action Plan.

6.1.3 Public Hearings for CDBG-MIT

HUD guidance at 83 FR 45843 prescribes for CDBG-MIT grantees the number of public hearings that must be convened, based upon the amount of the grantee’s allocation. PRDOH adheres to the guidelines for allocations of $1 billion or more requiring at least four (4) public hearings in the HUD-identified most impacted and distressed area with at least two (2) of these public hearings occurring prior to the publication of the Action Plan for public comment. Since all of Puerto Rico has been designated by HUD as most impacted and distressed, PRDOH will select locations within each of the four (4) housing regions8 utilized for the CDBG-DR Program to hold public hearing, public health conditions permitting (see Location of Public Hearings section below). The CDBG-MIT Action Plan public comment period will be open for forty-five (45) calendar days.

6.1.4 Location of Public Hearing Events for CDBG-DR and CDBG-MIT

Public Hearings will be held in locations which are accessible to persons with disabilities9 and, to the extent feasible, at times that are outside of standard business hours. Interpretation services for English and Spanish and sign language will be made available at Public Hearings. Other reasonable accommodations to assist individuals with disabilities will be made available at Public Hearings upon request. Requests for reasonable accommodations may be made using the communications methods outlined in the Individuals with Disabilities section below. When feasible, PRDOH will record public hearings, making them available for live viewing, and create archival footage of public meetings that will be placed on the PRDOH website.

Due to the COVID-19 health concerns, in early 2020 HUD provided guidance regarding alternative allowable measures related to public hearing requirements. In accordance with that guidance, and in lieu of the ability to conduct in-person events, if PRDOH

---

8 For details about the regions and locations utilized to hold public hearings in the CDBG-DR Program, please refer to the CDBG-DR Action Plan. However, these regions could change according to the needs of CDBG-MIT.

9 Grantees must give priority to alternative methods of product or information delivery that offers programs and activities to qualified individuals with disabilities in the most integrated setting appropriate under HUD’s implementing regulations for Section 504 of the Rehabilitation Act, 29 U.S.C. § 794. (See 24 C.F.R. part 8, subpart C).
chooses to conduct a public hearing, PRDOH will use mechanisms such as social media platforms and/or radio broadcasts to conduct public hearings. Residents will have the option of submitting comments during the public hearings through one or more of the following means, including the CDBG-DR website, webinar chat functions, radio call-ins, comments on social media and through the call center (1-833-234-CDBG or 1-833 234-2324, (TTY: 787-522-5950). Recordings of these events would be made available on the PRDOH website and/or social media within five to ten (5-10) business days of the event.

6.2 Action Plan Amendments for CDBG-DR and CDBG-MIT

Any amendments to the Action Plans will be made in conformity with HUD requirements. Non-substantial amendments addressing minor administrative changes will be presented to HUD at least five (5) business days prior to being incorporated into the corresponding comprehensive Action Plan. Substantial amendments will be publicly posted at https://cdbg-dr.pr.gov/en/ (English) and https://cdbg-dr.pr.gov/ (Spanish) for no less than thirty (30) calendar days for CDBG-DR, CDBG-DR Electrical Power System Improvements, CDBG-DR Earthquake allocation, and CDBG-MIT Action Plans, to allow public input before finalizing and incorporating into the respective comprehensive Action Plan.

PRDOH will prominently post notice of amendments to the https://cdbg-dr.pr.gov/en/ (English) https://cdbg-dr.pr.gov/ (Spanish) website. This may include the use of website pop-up banners, social media postings, and other methods for announcing and performing outreach to afford citizens, affected local governments, and other interested parties a reasonable opportunity to examine the plan or amendment’s contents.

Changes made via substantial amendments to an Action Plan will be highlighted or otherwise identified within the context of the entire Action Plan. As required by 83 FR 40314, 84 FR 45838, 86 FR 569, and 86 FR 32681, every substantial amendment will include the following:

- A section that identifies what content is being added, deleted or changed;
- Chart or table that clearly illustrates where funds are coming from and where they are moving to; and
- Revised budget allocation table that reflects all funds.

A substantial amendment is defined as an amendment that contemplates one (1) or more of the following:

- The addition of a covered project (applicable to CDBG-MIT only);
- Change in a program benefit or eligibility criteria;
- Addition or deletion of an activity;
- Addition or deletion of a component of the electrical power system improvements (applicable to CDBG-DR Electrical Power System Improvements only); and
• Allocation or reallocation of more than ten percent (10%) of grant funds.

The most current version of an approved Action Plan, including any substantial amendments, will be posted as a single document. Posting an Action Plan and any amendments as a single document allows the public to view the Action Plan as a whole, rather than the public having to view and cross-reference changes among multiple amendments.

6.3 Access to Action Plan or Substantial Amendments for CDBG-DR and CDBG-MIT

Citizens who cannot access the Action Plan or proposed substantial amendments through the website may request assistance from PRDOH:

- **Via telephone:** 1-833-234-CDBG or 1-833-234-2324 (TTY: 787-522-5950)

7 Individuals with Disabilities

Individuals that have a disability, a record of having a disability, or are regarded as having a disability have the right to request a reasonable accommodation\(^\text{11}\) that will help serve the individuals’ needs and allow them to participate and have access to any CDBG-DR or CDBG-MIT related activity or Program. PRDOH employees and any subrecipient or contractor staff working on behalf of a PRDOH CDBG-DR or CDBG-MIT program are required to accept and handle any reasonable accommodation requests. Every reasonable effort must be made to ensure that any disability related needs of requesting individuals are met to the maximum extent feasible, thus allowing them to participate and have access to any public hearings and program participation.

Additionally, PRDOH will ensure that program materials and meetings provide for ready access and meaningful participation by persons with disabilities through the use of assistive technology or auxiliary aids as necessary. The Action Plans and other materials

8 Language Access

In an effort to make all resources available to the public in order to fully enjoy the benefits of the CDBG-DR and CDBG-MIT programs, PRDOH has implemented policies and procedures to facilitate the communication between the agency and the public. Given that the language predominately spoken in Puerto Rico is Spanish, CDBG-DR and CDBG-MIT policies must ensure that Limited English Proficiency (LEP) individuals have meaningful access to programs, translation services, and activities by providing free language assistance services such as translation of vital documents and having oral interpretive services where appropriate. Puerto Rico also has a small population that is considered Limited Spanish Proficient (LSP), thus requiring that all CDBG-DR and CDBG-MIT program materials, including plans and guidelines, be available in English and Spanish.

For access to program materials in languages other than English or Spanish, citizens may call 1-833-234-CDBG or 1-833-234-2324 (TTY: 787-522-5950) or send a request to infoCDBG@vivienda.pr.gov or CDBG-MIT@vivienda.pr.gov. Materials will also be disseminated among program partners, including Municipalities, Government Agencies, Non-Profit and Non-Government Organizations to ensure that these materials are accessible locally.

14 Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency.
9 Public Comment on CDBG-DR and CDBG-MIT Program Action Plans

Initial Action Plans are posted to the PRDOH program website https://cdbg-dr.pr.gov/en/ (English) https://cdbg-dr.pr.gov/ (Spanish) to allow an opportunity for public comment for no less than thirty (30) calendar days for CDBG-DR (Including CDBG-DR Earthquakes), as required by 83 FR 40314, and forty-five (45) calendar days for CDBG-MIT and CDBG-DR Electrical Power System Improvements, as required by 84 FR 45838 and 86 FR 32681.

The posting is also communicated via e-mail and/or postal mail to non-profit organizations who work with vulnerable populations, municipalities, elected officials and others, and is announced through the PRDOH social media site on Facebook.

PRDOH will consider comments on the initial Action Plans or substantial amendments received in writing, via email, verbally via the Call Center or expressed in-person or at official public hearing events.

Additionally, in an effort to permit public examination and accountability, PRDOH will make publicly available the formal comments received regarding the initial Action Plans or substantial amendments, as well as PRDOH’s responses to those comments, in English at: www.cdbg-dr.pr.gov/en/action-plan/ or in Spanish at: www.cdbg-dr.pr.gov/plan-de-accion/. By pressing the “CLICK HERE TO SUBMIT COMMENTS” button in English or Spanish during the comment period as indicated in the sample screenshot below, citizens will be directed to the URL containing the comment form. The comment form provides the public a space to freely write their observations for the Action Plan and provide their name and email. A sample screenshot of the comment form below.

PRDOH’s responses to comments regarding Action Plans or substantial amendments are also posted to the website within each previous Action Plan.

10 Citizen Complaints
As part of addressing Puerto Rico’s long-term recovery needs, citizen complaints on any issues related to the general administration of CDBG-DR and CDBG-MIT funds are welcome throughout the duration of the grants. It is PRDOH’s responsibility, as grantee, to ensure that all complaints are dealt with promptly and consistently and at a minimum, to provide a timely, substantive written response to every written complaint within fifteen (15) business days, where practicable, as a CDBG grant recipient. See 24 C.F.R. § 570.486(a)(7).

Citizens who wish to submit formal complaints related to CDBG-DR or CDBG-MIT funded activities may do so through any of the following means:

- **Via email at:** LegalCDBG@vivienda.pr.gov
- **Online at:**
  - https://cdbg-dr.pr.gov/en/complaints/ (English)
  - https://cdbg-dr.pr.gov/quejas/ (Spanish)
- **In writing at:**
  - Puerto Rico CDBG-DR Program/CDBG-MIT Program
  - Attn: CDBG-DR/MIT Legal Division - Complaints
  - P.O. Box 21365
  - San Juan, PR 00928-1365

Although formal complaints are required to be submitted in writing, complaints may also be received verbally and by other means necessary, as applicable, when PRDOH
determines that the citizen’s particular circumstances do not allow the complainant to submit a written complaint. However, in these instances, PRDOH shall convert these complaints into written form. These alternate methods include, but are not limited to:

- **Via telephone**: 1-833-234-CDBG or 1-833-234-2324 (TTY: 787-522-5950)
- **In-person at**: PRDOH Headquarters Office or Program-Specific Intake Centers

*Attention hours: Monday – Friday from 8:00 a.m. to 5:00 p.m.*

**11 Anti-Fraud, Waste, Abuse or Mismanagement**

PRDOH, as grantee, is committed to the responsible management of CDBG-DR and CDBG-MIT funds by being a good advocate of the resources while maintaining a comprehensive policy for preventing, detecting, reporting and rectifying fraud, waste, abuse, or mismanagement.

Pursuant to 83 FR 40314 and 84 FR 45838, PRDOH implements adequate measures to detect and prevent fraud, waste, abuse, or mismanagement in all programs administered with CDBG-DR and CDBG-MIT funds, as well as encourages any individual who is aware or suspects any kind of conduct or activity that may be considered an act of fraud, waste, abuse, or mismanagement, regarding the CDBG-DR and CDBG-MIT Programs, to report such acts to the CDBG-DR Internal Audit Office, directly to the Office of Inspector General (OIG) at HUD, or any local or federal law enforcement agency.

The Anti-Fraud, Waste, Abuse, or Mismanagement Policy (AFWAM Policy) is established to prevent, detect, and report any acts, or suspected acts, of fraud, waste, abuse, or mismanagement of CDBG-DR funds. This Policy applies to any allegations or irregularities, either known or suspected, that could be considered acts of fraud, waste, abuse, or mismanagement, involving any citizen, previous, current or potential applicant, beneficiary, consultant, contractor, employee, partner, provider, subrecipient, supplier, and/or vendor under the CDGB-DR Program.
