The Autonomous Municipality of Cayey submitted a proposal which provided demographic information and information on unmet needs in Cayey. The proposal also included suggested activities to be funded under the CDBG-DR grant.

Cayey's community impact assessment is as follows:

- 11,416 homes affected
- 5,542 homes eligible for assistance from FEMA

Cayey requests CDBG-DR funding be used to complete the following projects. A detailed description of project plans, project budget, project locations, and summary of impacted populations is outlined in the proposal.

#### Housing

- Acquire and rehabilitate housing units and commercial properties affected.
- Demolish homes and commercial properties in flood prone areas.
- Rehabilitate housing units impacted by Maria.
- Assist with expenses associated with purchasing or renting a home.

#### Infrastructure

- Flood control and mitigation.
- Restore and construct drainage systems.
- Restore public roads.
