### Descripción:

On September 20th, 2017, Hurricane María hit Puerto Rico causing catastrophic island-wide damages. In response to this major disaster, the Governor of Puerto Rico issued the Executive Order Number OE-2017-047, declaring a state of emergency in Puerto Rico. Additionally, on September 21, 2017, the President of the United State of America issued a Major Disaster Declaration for Puerto Rico, ordering federal assistance to supplement the Government of Puerto Rico's (GPR's) recovery efforts and authorizing federal funding for emergency works in all 78 municipalities of our island, in order to begin to recover from the effects of this catastrophic disaster. The Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, 42 U.S.C. § 5121 et seq., was enacted for the purposes of providing an orderly and continuing means of assistance by the Federal Government to PRDOH and local governments in carrying out their responsibilities to alleviate the suffering and damage which result from disasters.

In response to the recovery efforts, in February 9, 2018, the U.S. Department of Housing and Urban Development (HUD) allocated \$1,507,179,000 to the Government of Puerto Rico in Community Development Block Grant Disaster Recovery (CDBG-DR) funds appropriated by the Supplemental Appropriations for Disaster Relief Requirements, 2017, for the purpose of assisting in long-term recovery from 2017 disasters. The PRDOH have been designated by the Governor of Puerto Rico as the grantee and administrator of this allocation. In addition to recover and rebuild, these funds are granted to stimulate economic growth in every affected community.

The PRDOH is issuing this Notice of Funding Availability (NOFA) to seek Statements of Qualifications from non-profit, HUD-Certified Housing Counseling organizations to provide guidance, advice, disaster case management and other technical assistance to applicants to the PRDOH CDBG-DR Housing Programs and other hurricane-impacted individuals.
