5/10/2022	LARISSA DEL C FONSECA SALICETI PENUELAS	Individual	My family, 2 adults and 2 young adults, live in a house in Bo. Encarnación Sector Tallaboa, Pueñuelas PR. Our residence was seriously damaged as a result of the earthquakes. We obtained a payment after an evaluation of repair costs by Mapfre. Much however (sic ), after having begun the reconstruction we realized that the residence required major repairs, walls and new roof, not taken into account in the insurance payment. We have accomplished a lot of the work, much however (sic ) we no longer have funds to continue so we are looking for help or loans to continue. We also suffered damage during Maria and Irma and no one gave us a hand to rebuild and repair either. We would be grateful if you can guide us on the program, where we can request it, and if it is available for Peñuela residencies. Thanks a lot	5/26/2022	We thank you for your comment.
